

A selection of Lancashire Cheeses were drummed in by a Drummer of the Fusiliers, before the official but sad farewells and

an invitation to visit Tulle in the autumn of 2016 brought the evening and effectively the visit to a close.

VISIT FROM SCHORNDORF

BURY MUSICIANS IN ANGOULEME

In May, James, Kieran, Declan and Jordan, four students at Bury College, who make up the rock band 'Absolute Stereo' were invited to take part in a four day music festival in Angoulême.

were also invited to a school and a local Musical Education Centre where they played for and with the students and discussed their music. They met members of a twinning group from Canada.

They were accompanied by Steve and Audrey Duckworth of Tottington, the parents of James and received hospitality from Marie-Jeanne Lavigne and staff of the Angoulême Twinning Office. The group played at several venues and were featured on local radio. They

were also invited to a school and a local Musical Education Centre where they played for and with the students and discussed their music. They met members of a twinning group from Canada. This was the first time that two members of the group had travelled abroad and the experience was utterly memorable for them. They were all very grateful to Mme. Lavigne for their excellent welcome and arrangements for the visit. Ideally, members would like to return the hospitality that they have received and are keeping in touch and hope to reciprocate

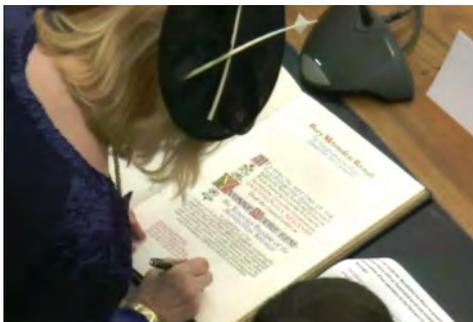

by hosting a return visit some time in the future. Although the Association had not become involved in arranging the original exchange, it is possible that we could help with the organisation of a future event.

HONORARY FREEMAN

Honorary Freedom is the highest civic honour that can be bestowed by the Council and on 24 June, the Council conferred the Freedom of the Metropolitan Borough on our Chairman. This was in recognition of her work on behalf of Bury residents including the establishment of a Home Watch Scheme; the founding of a Residents Association; chairing the Bury Metropolitan Community Twinning Association and promoting positive relations between Bury and its twin towns and in recognition of her continuing support for local charities.

Others awarded the same honour were Colonel Eric

Davidson for his outstanding work on behalf of local charities, his involvement in the development and management of the Fusiliers Museum and his organisation of the annual Gallipoli and Remembrance Sunday ceremonies.

And Mr. Mick Jelley for his longstanding association with Bury Amateur Boxing Club and his positive influence on the lives of the many young people who have trained with him including champion boxer Amir Khan.

VISITORS FROM TULLE

Nineteen visitors from Tulle arrived in Bury on Monday 6 July and were met at Liverpool, by Joe Walk and Anita Lindley. The following morning they travelled to Castle Howard with their hosts and marvelled at the spectacular features of the building and artwork and gardens. Later we visited York and admired the

Minster and enjoyed fish chips and mushy peas. A Reception hosted by the Mayor of Bury, Councillor Stella Smith, was held at the town hall followed by a visit to Bury Market and an afternoon of Crown Green

Bowling at Hollins Bowling club A buffet and a Beetle Drive at

Hollins Social Club ended the evening. It must be added that the visitors won the bowls competition and the beetle drive.

On Thursday we visited the City Art Gallery, the Central Library, John Rylands Library and the Shops in Manchester.

That evening, the last before their return, there was a continuation of all things Lancastrian at the Fusiliers Museum, where hosts and guests enjoyed a taste of Bury Black Pudding, Lancashire Hot Pot and Sticky Toffee Pudding.
